- 22 Review, discussion, and vote on the continuation of alcohol service in temporary outdoor seating and the takeaway/delivery of alcohol by On-Premises licensees.

Mr. Pyers reviewed the matter: The Governor of the Commonwealth put forth special legislation (and Act) during the Covid-19 pandemic which expedited the process and reduced the requirements for restaurants to expand their seating onto municipal property and to serve alcohol in that expanded seating – *if the municipalities and License Commissions agreed*. The seating and alcohol still need to be approved on an individual basis by the appropriate municipal agencies – and the seating must provide appropriate distancing and ventilation to reduce aerosol transmission of pathogens.

Each year since, that Act has been extended by the acting Governor to cover the subsequent season, and each year the City of Lowell City Council and the Lowell License Commission have approved the extension of this temporary seasonal seating and alcohol service.

Commissioner Howe noted that, since the City Council agreed to the extension, she felt comfortable supporting the extension for the seating – and the extension for restaurants to continue to provide takeaway and delivery of alcohol.

**Move approval by Commissioner Howe; seconded by Commissioner Krieger. 5 years, APPROVED.**

Since Ms. Casazza did not arrive late to the meeting, Commissioner Howe recommended that the Secretary place her application for license on the next meeting's agenda for ratification.

**ADJOURNMENT:**

**Commissioner Chhan made a motion to adjourn at 18:19, seconded by Commissioner Mercier. 5 years, APPROVED.**
